Filthy gorgeous sounds

A NIGHT of filthy gorgeous music awaits music lovers at a Colchester bar.

DJ Rob Harding, who runs the regular Freqklash music nights at the Hub Bar in Head Street, has managed to secure two of the clubbing scene's best-known DJs, Jamie Gittins and Scott Martin.

The duo are responsible for the hugely-successful Filthy Gorgeous club nights, which in recent years have taken the clubbing island of Ibiza by storm.

Filthy Gorgeous started out as a workers' party for people on the island but soon became a favourite with holidaymakers as well.
